

Welcome!

We are working to make your stay at Canary Beach Resort as safe and “normal” as possible during this time. Due to COVID-19, the following temporary changes have been implemented.

- **Lodge** – We have a new layout and new clothing for 2020! Our clothing is displayed, ask us for sizes as we have many size options. We love your business, but please leave 6 ft space between yourself and others. A maximum of **4 people** in the Lodge at one time.
- **Laundry** – Open by appointment to allow us to clean between guests.
- **Social Distancing** - While enjoying our Resort, please be aware of your surroundings and maintain at least 6 feet of distance between yourself and others.
- **Garbage** – Place all garbage in a bag, tie it and place outside of cabin in rocks or grass before dark. Staff will remove garbage nightly after that time.
- **Heat** – Please do not open windows during the winter months as this will affect the in-floor heating system and other heating units.
 - **In-floor heat** is set and locked at a specific temp and cannot be adjusted.
 - **Fireplace** can be turned on and adjusted on the wall thermostat. It may take a few minutes for the fan to start while heating up and to shut off while cooling down. The fan will shut off when the room reaches it’s set temp.
 - **Mini-split downstairs** – use the remote control and point it at the unit to turn on and adjust the temperature as needed. It is already set to heat, use up and down arrows to set temperature.
 - **Upstairs thermostat** – It is already set to heat, use up and down arrows to set temp.
 - ****Wrens Den Only – No mini-split or upstairs thermostat****
Each bedroom has its own heat source in the window AC/Heat units, low heat/high heat. Upstairs bathrooms have electric heat using the thermostat dial on the wall.

Prior to Check Out: Tidy up the cabin, sweep floors, close and lock all windows, place all garbage in garbage can, and if there are any dirty dishes, start the dishwasher. There is no need to strip the beds before you leave. Please settle up your account the night before your departure date. Upon leaving, you may leave your cabin unlocked with your keys on the table.

We hope you all have a fun and relaxing time, creating many great Minnesota memories! If you have any questions or concerns, please do not hesitate to ask!
